

The 2024 Cutty's Camping Club Spring Letter

Dear Members,

Those of you who love snow received your wish this year. Those of you who went South or West I hope you enjoyed our frozen photos. I would like to bring you up to date what has been happening at your camping club.

A year ago Ron wrote a letter talking about our cash reserves and how we are using some of that money to make upgrades and repairs to the park. We are continuing this same path. The Board has completed our annual budget and capital improvement meetings. I'm happy to announce there were no fee increases.

We approved a new splash pad at a cost of \$200,000.00. This has been started and will be operating when the outdoor pools open. We are doing a complete renovation of the East and Lower bath houses at a cost of \$160,000.00. We are continuing with the road improvements; we approved \$60,000.00 again this year. We approved removal of dead trees at a cost of \$30,000.00. We will be planting new trees in open areas of the park. If you would like to sponsor a tree, contact the office. We also added 11 patios to open camping sites and patios under all three D section shelter buildings at a cost of \$13,900.00. Smaller projects you will see includes new electric ranges and microwaves in the clubhouse kitchen, goose control, new picnic tables in D section shelters and some remodeling at the Lodge.

As the new splash pad gets nearer to completion we talked about additional seating. If you would like to sponsor a family or memorial bench with your name on it, please contact the office. Many times, I hear from members what wonderful memories they have of visiting Cutty's. They want their children and grandchildren to have the same experiences and so do we.
